**Note:** Above is a suggested order of Activities (may change per your church Mentor or theology).

**Parent Note:** It is important for children to make a commitment to finish all Activities, and study these materials every week. There may be unexpected illnesses and/or schedule conflicts. Please assist your child to make a commitment to the Lord, and pray for God to guide this time.

**Important:** Please prepare children for each Activity by: carefully reading the Bible verses with them, answering questions, and helping them fill in the activity puzzle and/or drawing when applicable.

All Christian believers would greatly benefit from having a **Personal Mentor** who has more life experience following Jesus. Please contact your local Church if you do not yet have a Mentor assigned to your child.
