

Truth & Training Parent night

Camarillo Community Church Awana Charter # 0667

Welcome to Parent Night! Tonight we will be acquainting you with the club schedule, and other T&T club information that may or may not have made it home via your child.

The first and most important goal at AWANA is to strengthen your child's faith in the triune God- God the Father, Jesus the Son, and the Holy Spirit. We present the Gospel plan of Salvation and give children the opportunity to trust in Jesus if not already saved. We do this by listening, playing and guiding your child through the AWANA evening.

The first part of the night - Handbook Time

AWANA listening guidelines require that clubbers memorize one or more verses in a section and say those Bible verse(s) with only 2 helps on club night. It is REALLY helpful if you, the parent, during the week, helped your child to complete the weekly section requirements.

If your child comes prepared knowing the verse(s), has filled in the short answers in the blanks, and has something to share with their small group, and participates in the group prayer, we know your child will get the best out of a club night.

When your child says the verses to you with no more than two helps per verse during the week, you can put your initials near the leader sign-off. **When he recites the same verse(s) on AWANA night, the points earned per section are doubled with your initials!** This counts towards his team's total points, if his team wins, there are rewards.

We also need help with listening to the kids recite their Bible verses on club night. This 40-minute commitment will greatly enhance the ability of all clubbers to finish their books within the club year which is an overall goal that will help develop their Spiritual lives. We encourage you to sign up at least once a month to be a Listener by emailing barnescomputertech@gmail.com.

The second part of the night – Game time

Takes place on the parking lot where your child plays on the unique AWANA game circle. We do running, tossing, dodging, tugging, handing-off and other fun things! We ask that your child wear long pants to avoid injuries, and athletic shoes.

The third part of the night - Large Group Time

During this time, the club director, or sometimes a guest speaker, provides an insightful lesson that is associated with the theme of the night. This could include Bible drills which help your child memorize the order of the books of the Bible.

Dinner on club night can be a challenge, so hotdogs and hamburgers are available before 6 pm.
