

CCC Truth & Training Parent update

Camarillo Community Church Awana Charter # 0667

Per Awana International guidelines clubbers are required to fill in an answer to the Explore Bible study question, and say the Bible verse(s) with only 2 helps on club night. In order to meet the above requirements Parents need to study the handbook with their child during the week (and/or weekend) **before club** so that your child will get the best out of club night. If the child comes prepared knowing the verse and having something to share - each child should time to share with their small group, and have time for group prayer.

During the week it is vital for your family to help your child fill in the answer to the Bible study question, and help the child memorize the Bible verse for the week, and study for extra credit points (see back). After helping, please fill in your initials next to the leader's signature line. On Awana night **points earned are doubled with your initials!**

If your child completes the book section for the week they can earn many benefits:

- 😊 Nightly Team Section prize for total points earned in their book! (see back for all nightly awards)
- 😊 Awana T&T uniform patch awards!
- 😊 Eligible for special Truth Tracker parties and awards!
- 😊 Completed book plaque, or ribbon awarded at end of year!
- 😊 Completed book, going into 5th grade or above, are eligible for summer camp!

Please see the white booklet from first night, and our website www.barnescomputer.net/Personal/awanaT&T.html for Bible memory helps, etc. CCC Theme night listing is at www.barnescomputer.net/Personal/awanaschedule.html

To ensure your child receives quality adult supervision, please consider, pray about **signing up at least once a month to be a Listener**. The Listener helps kids memorize, and recite Bible verses. This is only a 40 minute commitment that will greatly enhance the ability of all clubbers to finish their books in the club calendar year which is an overall goal that will help develop their Spiritual lives. Please e-mail barnescomputertech@gmail.com to help with our boys club.
