*Note: After you study your parent signs their initials in the box for that day of the week.*

**Be sure to do the following at your practice time:**

- Pray for all of the Bible quiz team that they will study hard, and do their best.
- Study the part of the book we are covering for practice (for at least 15 minutes).
- Memorize every word of the Bible verse referenced in the New King James Version.
- Answer multiple choice questions A,B,C with a parent, brother, sister, friend.
- Practice clicking a bic pen as fast as you can with parent, brother, sister, friend.

**I will make up the team according to:**

- How much time you spent to know the Bible verses, and material,
- How well you know the answers at "Multiple Choice" practice,
- How fast you click the pen for "Speed Quiz" at practice,
- How many practices you attended, and if this chart was filled out.
